## Are there any restrictions on cover?

- ! Once your chosen vet fee limit is used up in a period of insurance there will be no more cover for any treatment which occurs in the period of insurance. If you chose to renew the policy, the cover will reinstate, and you will have up to your chosen vet fee limit for the subsequent period of insurance.
- ! Complementary medicine covered up to €300.
- ! Excesses: this is the part of the claim which you have to pay and will be explained during your purchase and detailed on your policy schedule.
- ! For vet fees, the fixed excess is payable per condition per year.
- ! At the renewal after your pets fifth birthday a percentage excess of 15% will be introduced and deducted after any fixed excess is deducted.
- ! We can change the excesses you pay at the renewal of the policy and this will be explained on your renewal invitation.
- ! Conditions that may affect body parts on both sides of the body, including but not limited to ears, eyes, elbows, shoulders, knees, hips and cruciate ligaments will be considered one condition. These are known as bilateral conditions.
- ! Re-occurring or on-going conditions will be considered as one condition.
- ! The cost of cover can change and at each renewal we will recalculate the cost of cover and contact you with a quote. There are a number of factors that can impact your renewal including the age of your pet and the increasing cost of veterinary treatment. We may also consider the amount claimed and the likelihood a condition will be ongoing when calculating your renewal. This will mean that the premium you pay will increase at renewal.

## Where am I covered?
